ABOUT THE PRESCHOOL AND MDO

Preschool/MDO is a ministry of FBCS and was created to give mothers some much needed time off and to teach children about God's love through planned, structured, and balanced activities. Our hours of operation are Tuesday through Friday 9:00am to 1:30pm. Late pickup starts at 1:35pm.

FINANCIAL

The registration fee is \$85.00 for the first child and \$70.00 for each additional child, which is non-refundable. The tuition cost is spread out over a 10 month school year period. The program has a financial responsibility for operation expenses, which are covered by contributions and donations from parents. We require this payment even if your child is sick or on vacation to function on an ongoing consistent basis.

The cost of the program is as follows:

2 days/week - \$150.00 monthly
 \$135.00 monthly for sibling
4 days/week - \$260.00 monthly
 \$235.00 monthly for sibling

Our late fee policy is after the 3rd incident, you will be charged \$1.00 per minute you are late.

DISCIPLINE

We will use positive reinforcement techniques. Teachers will provide reasonable rules and logical consequences such as time-out. This could mean time out of the room if necessary. Teachers will be firm and loving and you will be contacted if there is a problem. Our biting and excessive physical contact policy is this: If a child bits or is excessively physically aggressive on 3 occasions, even in the same day, you will be asked to withdraw them from class for 2 weeks. The child may then come back and we will try to remedy the problem. If it continues and we feel we cannot control it, you may be asked to withdraw from classes for the remainder of the school year.

HEALTH

No medication will be given at Preschool/MDO. If your child should become sick in class, we will isolate them while we try to contact you. The A.A. of Pediatrics recommends children stay home with any of the following symptoms: fever, sore throat, rashes, any skin or eye infection, excessively runny nose, or vomiting or diarrhea within 24 hours of class. We realize this policy means a few missed classes; however, it should make you feel much better about leaving your healthy child with us.

CLASSES

Our classes consist of many different types of activities and learning experiences, such as Bible stories, crafts, participatory games and instruction in basic skills. Your child will benefit and learn by interaction with other children and by taking instruction from the teacher. Social skills will be enhanced, and children will learn about the God who made them and the world they live in. Your child's teacher has been handpicked and is knowledgeable, loving, and experienced and will provide very professional, yet very personal care and attention. You will need to pack a lunch each day for your child, one that does not require heating or refrigeration.

We look forward to getting to know you and your family in the year to come. Please let us know if you have any questions.
